

Farewell symposium Cornelis Jakobs

November 25th, 2011
VU University Medical Center Amsterdam

INVITATION

In honour of prof. dr. Cornelis Jakobs, who will reach emeritus status in January 2012, a symposium will be organised at the VU University Medical Center, Amsterdam on Friday November 25th, 2011:

“Farewell symposium Cornelis Jakobs”

The symposium will follow this year’s SSIEM Academy Course also held in Amsterdam on November 23rd and 24th. For all participants of either occasion there will be a get-together on the evening of November 24th.

The farewell symposium will be followed by a reception.

The organizing committee warmly invites you to attend the symposium on the 25th of November. We are pleased to announce the participation of a number of highly distinguished speakers, who will provide you with an inspiring view on the area of inborn errors of metabolism.

Organising committee:

dr. G.S. Salomons
dr. H.J. ten Brink
prof. dr. M.A. Blankenstein
ms. A. Tekkelenburg (secretariat)

November 24th 2011

17.00 – 19.00

Get-together (Participants SSIEM Academy +
Participants Farewell Symposium)

Venue: To be announced

November 25th 2011

Symposium “Festschrift Cornelis Jakobs”

Venue: Amstelzaal, VU University Medical
Center Amsterdam, De Boelelaan 1117

I: Current highlights: Metabolic Laboratory, VUmc

Chairman: Herman ten Brink / Peter Scheffer

9.00	Henk Blom	Methylation in health and disease
9.20	Tom Teerlink	ADMA & cardiovascular disease: villain, accomplice or innocent bystander?
9.40	Mirjam Wamelink	New inherited defects of the pentose phosphate pathway: surprising phenotypes
10.00	Martijn Kranendijk	D-2-hydroxyglutaric aciduria: novel insights
10.20	Eduard Struys	Pyridoxine dependent epilepsy: accomplishments and remaining goals
10.40	Gajja Salomons	Creatine deficiency syndromes: it is the brain that counts

11.00 – 11.30

coffee/tea

II. New disorders

Chairman: Bwee Tien Poll-The/ John Walter

11.30	Marjo van der Knaap	News from the white matter front
11.55	Jean Marie Saudubray	Disorders of phospholipid and sphingolipid synthesis. A role for metabolomics?
12.20	Peter Clayton	Whatever is the newest: Big surprise
12.45	Brian Fowler	New disorders of cobalamine (B12) and folate metabolism

13.10 - 14.15

lunch

III. New pathways and mechanisms

Chairman: Isabel Tavares de Almeida/ Johannes Zschocke

- | | | |
|-------|-----------------------|--|
| 14.15 | Ronald Wanders | Pristanic-/Phytanic acid metabolism: how it started and where we are now |
| 14.40 | Emile van Schaftingen | Faulty metabolite repair |
| 15.05 | Markus Ralser | Pentose phosphate pathway: a metabolic redox sensor? |
| 15.30 | Larry Sweetman | From prenatal diagnosis to neonatal screening: a moving scene |

15.55 – 16.30 *coffee/tea*

IV. The Farewell

Chairman: Rien Blankenstein

- | | | |
|---------------|-------------------|--|
| 16.30 | Mike Gibson | Three Decades, Two Scientists and One Mouse: Clinical Trial(s) in SSADH Deficiency |
| 16.55 | Cornelis Jakobs | 40 years of IEM: a personal flashback |
| 17.15 | Rien Blankenstein | The “end” of an era |
| 17.30 – 19.30 | | <i>reception</i> |

List of speakers:

prof. H Blom (VUmc, Amsterdam, the Netherlands)
dr. M Kranendijk (VUmc, Amsterdam, the Netherlands)
dr. G Salomons (VUmc, Amsterdam, the Netherlands)
dr. E Struys (VUmc, Amsterdam, the Netherlands)
dr. T Teerlink (VUmc, Amsterdam, the Netherlands)
dr. M Wamelink (VUmc, Amsterdam, the Netherlands)

prof. M Blankenstein (VUmc, Amsterdam, the Netherlands)
prof. C Jakobs (VUmc, Amsterdam, the Netherlands)
prof. M van der Knaap (VUmc, Amsterdam, the Netherlands)
prof. R Wanders (AMC, Amsterdam, the Netherlands)

prof. P Clayton (London, United Kingdom)
prof. B Fowler (Basel, Switzerland)
prof. M Gibson (Michigan, USA)
dr. M Ralser (Berlin, Germany/Cambridge, United Kingdom)
prof. JM Saudubray (Paris, France)
prof. E van Schaftingen (Brussels, Belgium)
dr. L Sweetman (Dallas, USA)

List of chairmen:

dr. H ten Brink (VUmc, Amsterdam, the Netherlands)
prof. M Blankenstein (VUmc, Amsterdam, the Netherlands)
prof. BT Poll-The (AMC, Amsterdam, the Netherlands)
dr. P Scheffer (VUmc, Amsterdam, the Netherlands)
prof. I Tavares de Almeida (Lisbon, Portugal)
dr. J Walter (Manchester, United Kingdom)
prof. J Zschocke (Innsbruck, Austria)

Venues:

Get-together	to be announced
Symposium	Amstelzaal VU University Medical Center De Boelelaan 1117, 1081 HV, Amsterdam

Registration

Admission is free. For logistical reasons, preregistration is highly appreciated before the 1st of November. Please mail your title, name, organisation and your participation of

1. the Get together on November 24th
2. the Symposium on November 25th (including lunch)
3. the Reception on November 25th

by e-mail to secr.metabolicunit@vumc.nl
tel + 31 (0)20 - 4442880 (Anneke Tekkelenburg, secretariat)

Accreditation

Accreditation has been requested at the Dutch Professional Organizations NVKC, NVK and NVHG.

Public transport/parking

Railways Amsterdam-Zuid. Tram: 5, 16, 24, 50 en 51.
